Note: The hire period will extend from before noon on the agreed start date above until before noon on the day after the end date, save that DTEK reserves the right to terminate the hire subject to two days notice at any time.

Delivery of the equipment will be at DTEK's cost and return of the equipment will be your expense.

For legal reasons you must sign this document to signify agreement to conform to the terms and conditions on which the equipment is hired. These conditions are additional to our normal terms of business, a copy of which can be supplied on request.

Note: DELAY IN THE RETURN OF UNITS WILL RESULT IN A PER DAY RENTAL CHARGE UNLESS AN EXTENDED HIRE PERIOD IS AGREED BY DTEK IN WRITING.

DTEK retains ownership of the equipment throughout the period of the hire. Whilst the equipment is still in DTEK's ownership you must not remove it from the delivery address without DTEK's consent, nor sell the equipment, nor deal with the equipment in any other way which is inconsistent with DTEK's right of ownership.

You will take reasonable care of the equipment so as to protect it from loss, damage or theft and will notify DTEK in the event of loss, damage or theft.

You will also insure the equipment against all loss, fire and theft at an amount no less than the purchase price of the equipment while it remains in the ownership of DTEK.

You indemnify DTEK against expenses liability cost claims or proceedings whatsoever in respect of personal injury or death to persons, loss or damage to property arising from the hire of the equipment, unless such claims result solely from the negligence of DTEK, its employees or agent. You will maintain insurance against such risks with an insurance company of repute and agree to provide reasonable evidence to DTEK on request.

Please note that hire units are only covered by DTEK's standard return to base warranty. In the event of failure we cannot guarantee a replacement unit from our limited loan stock. We recommend you test the unit before committing to your customer.
